D. Local / Regional Conference Abstracts (n=188)

1987 (n=4)

1989 (n=3)
7. BR Hawkins, YL Yu, **VCN Wong.** HLA typing in Myasthenia Gravis in Chinese. Symposium on "Recent Advances in Myasthenia Gravis", Hong Kong, 1989.

1990 (n=5)
8. YL Lau, G Srivartes, **VCN Wong,** KH Fu, F Ho, CY Yeung. Mutational analysis of Duchenne/Becker Muscular Dystrophy, Annual Scientific Meeting of the Hong Kong Paediatric Society, Hong Kong, 1990.
10. W Goh, **VCN Wong,** KY Wong. Outcome of very low birth weight infants. Scientific Meeting, "Child Health Beyond 1990", University of Hong Kong.
12. W Goh, T Ng, CF Fung, **VCN Wong.** An unusual cause of scoliosis and leg length discrepancy. Paediatric Scientific Meeting, "Child Health Beyond 1990", University of Hong Kong. Hong Kong, 1990.

1992 (n=1)

1996 (n=15)

1997 (n=11)
31. DTC Ho, Lee C, VCN Wong, W Goh, A Yung. Visual rehabilitation program for children with visual disability. 110th Anniversary Scientific Meeting, Faculty of Medicine, University of Hong Kong, Hong Kong, 24-26 Oct, 1997.
32. W Goh, SL Lee, A Yung, WC Chow, VCN Wong. Pulmonary Rehabilitation in Children with Duchenne Muscular Dystrophy. 110th Anniversary Scientific Meeting, Faculty of Medicine, University of Hong Kong, Hong Kong, 24-26 Oct, 1997.
33. R To, C Lee, E Kwan, Y Hui, VCN Wong, W Goh, A Yung. Pilot study of oro-motor rehabilitation programs for children with saliva control problem. 110th Anniversary Scientific Meeting, Faculty of Medicine, University of Hong Kong, Hong Kong, 24-26 Oct, 1997.
34. VCN Wong. Paediatric neurorehabilitation - Concept, Organization & Model. 110th Anniversary Scientific Meeting, Faculty of Medicine, University of Hong Kong, Hong Kong, 24-26 Oct, 1997.
37. VCN Wong. Use of Botulinum Toxin Injection in 17 Children with Spastic Cerebral Palsy. Hospital Authority Rehabilitation Symposium, Hong Kong, 1997.
38. VCN Wong. Hong Kong Children's Seizure and Epilepsy Registry (HKCSER). 9th Annual Scientific Meeting of Hong Kong Neurological Society, Hong Kong, 1997.

1998 (n=9)
42. VCN Wong, A Yung, W Goh. The Hong Kong Children’s Stroke Registry 1997. Asia Pacific Symposium on Neural Regeneration, The University of Hong Kong, Hong Kong, 3-4 Dec, 1998.
43. VCN Wong. Migraine Without Headache in Children – A Cyclic Vomiting Syndrome? 11th Annual Scientific Meeting of the Hong Kong Neurological Society, Hong Kong, 4-5 Dec, 1998.
44. A Chan, A Yung, W Goh, VCN Wong. Paediatric Nursing Rehab Programme in DKCHI. 2nd Rehabilitation Symposium, Hospital Authority, Hong Kong, 12 Dec, 1998.
47. ASE Chan, A Yung, W Goh, VCN Wong. Priming the Post-Acute Neurology Paediatric Care. 2nd Rehabilitation Symposium, Hospital Authority, Hong Kong, 12 Dec, 1998.
48. C Leung, A Sze, VCN Wong. Cerebral Palsy: Health-related Quality of Life and its Psychological Correlates. 2nd Rehabilitation Symposium, Hospital Authority, Hong Kong, 12 Dec, 1998.

1999 (n=5)
49. C Leung, A Sze, VCN Wong. Quality of Life in children with Epilepsy and their mothers, Hospital Authority Convention, Hong Kong, 1999.
50. VCN Wong. Pilot Study of Traditional Herbal Medicine in Children with Neurodevelopmental Disorder. 2nd Meeting of International Research Program on Traditional Chinese and Natural Medicine in Children with Neurodevelopmental Disorder, Hong Kong, March 1999.
52. VCN Wong, JG Sun, QY Ma, E Yang, CY Yeung. Tongue Acupuncture (TAC) in Child Neurology and Neurology Practice – A New NeuroHabilitation Model? 2nd Symposium of World Association of Chinese Epileptologists (WACE) & 12th Annual Scientific Meeting of the Hong Kong Neurological Society, Hong Kong, 4-5 Dec, 1999.

2000 (n=4)
54. VCN Wong. Integration of tongue acupuncture in neurohabilitation of children. The 2nd Pan-Pacific Conference on Rehabilitation, jointly organized by The Hong Kong Polytechnic University and Health Science Center of Peking University Hong Kong, 25-27 Aug, 2000.
55. HK Ho, S Chan, WHS Goh, VCN Wong. Abdominal Massage in Management of Childhood Constipation. Joint Annual Scientific Meeting 2000 for Paediatricians and Paediatric Nurses (organized by The HK Paediatric Society & HK Paediatric Nurses Association), Hong Kong, 18 Nov, 2000.
56. JG Sun, VCN Wong, QY Ma, PW Cheng. Pilot Study of the Use of Traditional Chinese Medicine (Tongue Acupuncture) in Patients with Stable Stroke. 13th Annual Scientific Meeting of the Hong Kong Neurological Society, Hong Kong, 18-19 Dec, 2000.

2002 (n=6)

2003 (n=19)
64. LJ Zhou, VCN Wong, B Chung, RTF Cheung, CGC Ooi, PL Khong. Diffusion tensor MR (DTI) and correlation with neuromotor outcome: work-in-progress. 8th Medical Research Conference, Hong Kong, 25-26 Jan, 2003.
65. PL Khong, LJ Zhou, CGC Ooi, B Chung, VCN Wong. Evaluation of Wallerian degeneration in paediatric middle cerebral artery (MCA) strokes using diffusion tensor MRI (DTI) and correlation with neuromotor outcome. 11th Annual Scientific Meeting, Hong Kong College of Radiologists, Hong Kong, 18-19 Oct, 2003.

69. BHY Chung, **VCN Wong**, Hong Kong Childhood Stroke Registry (HKCSR) – A Study of 50 Cases (1991-2001). Joint Annual Scientific Meeting of the Hong Kong Epilepsy Society and the Hong Kong Neurological Society, Hong Kong, 7-9 Nov, 2003.

70. BHY Chung, LCY Wat, **VCN Wong**. Outcome of children with first febrile seizure – A local cohort study of 565 cases. Joint Annual Scientific Meeting of the Hong Kong Epilepsy Society and the Hong Kong Neurological Society, Hong Kong, 7-9 Nov, 2003.

71. GCY Fong, P Kwan, A Hui, C Lui, JKY Fong, **VCN Wong**. A population based epidemiological study of epilepsy in Hong Kong Joint Annual Scientific Meeting of the Hong Kong Epilepsy Society and the Hong Kong Neurological Society, Hong Kong, Nov 2003.

74. TYP Chan, **VCN Wong**. Recurrent headache in children – a 3 year’s hospital-based study (2000-2002). Joint Annual Scientific Meeting of the Hong Kong Epilepsy Society and the Hong Kong Neurological Society, Hong Kong, 7-9 Nov, 2003.

75. BHY Chung, **VCN Wong**, P Ip, S Hui. Spinal Muscular Atrophy (SMA) – Natural history and functional status in Hong Kong children. Joint Annual Scientific Meeting of the Hong Kong Epilepsy Society and the Hong Kong Neurological Society, Hong Kong, 7-9 Nov, 2003.

77. C Leung, SZ Zhou, **VCN Wong**. A comparative Study of the Quality of Life of Children with Epilepsy in Shanghai and Hong Kong, Dec 2003.

79. BHY Chung, LCH Wat, **VCN Wong**. Outcome of children with first febrile seizure – a local cohort study of 565 cases. Joint Annual Scientific Meeting of the Hong Kong Paediatric Society and Hong Kong Paediatric Nurses Association, Hong Kong, 13 Dec, 2003.

81. BHY Chung, **VCN Wong**. Stroke in Chinese children – a local series of 50 cases. Joint Annual Scientific Meeting of the Hong Kong Paediatric Society and Hong Kong Paediatric Nurses Association, Hong Kong, 13 Dec, 2003.

82. BHY Chung, **VCN Wong**, P Ip, S Hui. Spinal muscular atrophy (SMA) natural history and functional status in Hong Kong children. Joint Annual Scientific Meeting of the Hong Kong Paediatric Society and Hong Kong Paediatric Nurses Association, Hong Kong, 13 Dec, 2003.

2004 (n=13)

86. DKL Cheuk, **VCN Wong**. Specific Language Impairment and Childcare by Domestic Helper: A Case-control study, Ruby Jubilee Scientific Meeting, Hong Kong, 24-26 Sep, 2004.

87. DKL Cheuk, **VCN Wong**. Meta-analysis of Association Between Catechol-O-Methyltransferase Gene Polymorphism and Attention Deficit Hyperactivity Disorder, Ruby Jubilee Scientific Meeting, Hong Kong, 24-26 Sep, 2004.

103. DKL Cheuk, VCN Wong. Developmental Profile in Chinese Children with Attention Deficit Hyperactivity Disorder. Joint Annual Scientific Meeting of Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 27 Nov, 2004.
104. DKL Cheuk, VCN Wong. Attention Deficit Hyperactivity Disorder and Blood Mercury Level: A Case Control Study. Joint Annual Scientific Meeting of Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 27 Nov, 2004.

2005 (n=44)

105. VCN Wong, BHY Chung, SYH Li, CW Fung, P Ip, W Goh, SL Lee. (SMARD1) Spinal Muscular Atrophy with Respiratory Distress Type 1 Mutation in Chinese Boy Hong Kong Medical Genetics Conference, Hong Kong, 8-10 Apr, 2005.
106. BHY Chung, CW Fung, Susanna Li, KY Wong, GCF Chan, VCN Wong. Two Novel Mutations of SMPD1 Gene from a Chinese Family with Niemann Pick Disease Type A (NPD-A). Hong Kong Medical Genetics Conference, Hong Kong, 8-10 Apr, 2005.
109. DKL Cheuk, VCN Wong. To study the relationship of exposure to multilingual home environment and specific language impairment: A Case-control study. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
110. DKL Cheuk, VCN Wong. Comorbidity pattern in Chinese children with attention deficit hyperactivity disorder. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
111. DKL Cheuk, VCN Wong. Use of Psychostimulant in Chinese children with attention deficit hyperactivity disorder. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
112. RKY Chan, M Chu, M Ng, Viola Wong, T Tam, Grace Tse, VCN Wong. Pilot Study on Fine Motor Development of Premature Infants. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
115. CW Fung, CW Lam, VCN Wong. DYT1 mutation: from asymptomatic carrier to stiff man syndrome. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
117. CW Fung, PT Cheung, EYW Kwan, GWK Poon, LCK Low, VCN Wong. 6-pyruvoyl-tetrahydropterin synthase deficiency, a potentially treatable cause of dystonia. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
118. CW Fung, WHS Goh, VCN Wong. 2 patients with paroxysmal kinesigenic dyskinesia treatable with low dose carbamazepine. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.
110. **K Cheung, F Siu, VCN Wong.** Medical social worker – a helping hand to the families in need. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sept, 2005.

111. **D Ho, VCN Wong.** Visual development on premature infants in Hong Kong. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sept, 2005.

113. **F Siu, K Cheung, VCN Wong.** Respite Care for Disabled Child at the Children Habilitation Institute (CHI). DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

114. **BHY Chung, VCN Wong, L Wat.** Outcome of children with first febrile seizure – a local cohort study of 565 cases. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

115. **BHY Chung, CW Fung, YH Li, KY Wong, GCF Chan, VCN Wong.** Two novel mutations of SMPD1 gene from a Chinese family with niemann pick disease Type A (NPD-1). DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

116. **BHY Chung, VCN Wong, P Ip, SLH Hui.** Spinal muscular atrophy (SMA) – natural history and functional status in Hong Kong children. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

117. **BHY Chung, P Ip, VCN Wong, J Lo, JM Nicholls, PL Khong.** Acute fulminant SSPE with absent measles and PCR studies in cerebrospinal fluid. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

118. **BHY Chung, VCN Wong.** Pediatric stroke in Southern Chinese. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

119. **C Leung, WHS Goh, PL Khong, VCN Wong.** Thalamic T2 hyperintensities and cognitive function in Chinese children with neurofibromatosis. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

120. **VCN Wong, CW Lam, CW Fung.** An unusual phenotype in DYT1 dystonia: stiff man syndrome. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

121. **P Ip, VCN Wong, MHK Ho, JSK Lee, WHS Wong.** Environmental mercury exposure in children – South China’s experience. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

122. **CW Fung, VCN Wong.** Children with mesial temporal sclerosis (MTS) in an epilepsy cohort – a different clinical spectrum. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005

123. **C Leung, SZ Zhou, VCN Wong, WHS Goh.** A comparative study of the quality of life of children with epilepsy in Shanghai and Hong Kong. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

124. **AWY Yung, W Ho, RWW To, SM Yuen, A Sze, VCN Wong.** Developmental profiles of children with benign epilepsy with centro-temporal spikes. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

127. **CW Fung, VCN Wong.** Program for Chinese children with developmental disabilities – The Hong Kong Model. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

129. **VCN Wong, BHY Chung YH Li, CW Fung, P Ip, WHS Goh, SL Lee.** (SMARD1) Spinal Muscular Atrophy with respiratory distress type 1 mutation in Chinese boy. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

130. **VCN Wong, BHY Chung.** Survey of public awareness, understanding, and attitudes towards epilepsy in Hong Kong – a comparison of Chinese and Western culture. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

133. BHY Chung, VCN Wong. Clinical markers that enhance etiologic yield in global developmental delay. DKCH 50th Anniversary Symposium on Paediatric Neurology and Neuro-Rehabilitation, Hong Kong, 16-17 Sep, 2005.

135. CHT Lui, P Kwan, VCN Wong, JHM Yeung. Mortality of Epilepsy – a retrospective cohort analysis in Hong Kong. The 18th Annual Scientific Meeting of the Hong Kong Neurological Society, Hong Kong, 29-30 Oct, 2005.

137. KS Lau, CN Hung, T Shum, CF Ngai, SL Ho, KS Ng, VCN Wong. Identifying prenatal, perinatal and environmental risk factors to autism spectrum disorder: case-control study. The 10th Research Postgraduate Symposium (10th RPS), Hong Kong, 3 Dec, 2005.

138. WX Chen, VCN Wong, KY Wong. Electrophysiologic and neurodevelopmental outcomes in neonate with hyperbilirubinemia. The 10th Research Postgraduate Symposium (10th RPS), Hong Kong, 3 Dec, 2005.

139. VCN Wong. Interactive Teaching Modules for Medical Students and Post-graduate Medical Doctors – Children with Brain Disorders. LEARNet Conference, Hong Kong, 13 Dec, 2005.

2006 (n=11)

140. BHY Chung, CW Fung, S Li, KY Wong, GCF Chan, VCN Wong. Two novel mutations of SMPD1 gene from a Chinese family with Niemann Pick Disease Type 1 (NPD-A). Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

141. VCN Wong, B Chung, YH Li, CW Fung, P Ip, WHS Goh, SL Lee. (SMARD1) Spinal Muscular Atrophy with respiratory distress type 1 mutation in Chinese boy. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

142. VCN Wong, BHY Chung. Clinical markers useful in enhancing diagnostic yield for children with global developmental delay (GDD). Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

143. VCN Wong, BHY Chung. Causes of global developmental delay (GDD) in Southern Chinese. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

144. WX Chen, VCN Wong. Visual evoked potentials in neonatal hyperbilirubinemia. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

145. WX Chen, VCN Wong. Prognosis of Bell’s palsy in children – analysis of 29 cases. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

146. WX Chen, VCN Wong, KY Wong. Short and long term outcome of severe neonatal non-hemolytic hyperbilirubinemia. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

147. WX Chen, VCN Wong, KY Wong. Neurodevelopmental outcome of severe neonatal hemolytic hyperbilirubinemia. Joint Annual Scientific Meeting of The Hong Kong Paediatric Society & Hong Kong Paediatric Nurses Association, Hong Kong, 7 Jan, 2006.

2007 (n=24)

169. BHY Chung, AMC Tsang, VCN Wong. Influenza-related neurologic complications (INCS) in children hospitalized with laboratory confirmed influenza (LCI) in Hong Kong; Comparison with USA. Joint Annual Scientific Meeting for Paediatricians and Paediatric Nurses, Hong Kong, 27 Oct, 2007.

170. HM Luk, CW Fung, CM Mak, CW Lam, S Tam, and VCN Wong. Severe myoclonic epilepsy in infancy (SMEI) or Dravet Syndrome – case report with SCN1A mutation in Hong Kong. Joint Annual Scientific Meeting for Paediatricians and Paediatric Nurses, Hong Kong, 27 Oct, 2007.

2008 (n=3)

175. HM Luk, CW Fung, CM Mak, CW Lam, S Tam, and **VCN Wong**. Severe myoclonic epilepsy in infancy (SMEI) or Dravet Syndrome – case report with SCN1A mutation in Hong Kong. 7th Asian Oceanian Epilepsy Congress, Xiamen, China, 15-18 May, 2008.

176. Chung, CW Fung, P Ng, M Zhao, WL Yang and **VCN Wong**. Infantile convulsion choreoathetosis syndrome in a Hong Kong Chinese Family. 8th Asian Oceanian Epilepsy Congress, Xiamen, China, 15-18 May, 2008.

2009 (n=8)

180. WX Chen, **VCN Wong**, M Yang, CF Chan. Calcium channel blockers can reduce iron-induced apoptosis in neural stem cells. Annual Scientific Meeting 2009, The Hong Kong Neurological Society, Hong Kong, 7 Nov, 2009.

183. S Chan, W Mak, **VCN Wong**. A girl with atypical chronic inflammatory demyelinating polyneuropathy. Annual Scientific Meeting 2009, The Hong Kong Neurological Society, Hong Kong, 7 Nov, 2009.

2010 (n=2)

2011 (n=1)
