

**The advertisement will appear in the University's website**

## **THE UNIVERSITY OF HONG KONG**

Applications are invited for the following post:

**Assistant Research Officer in the Department of Paediatrics and Adolescent Medicine** (Ref.: 201601506) (to commence as soon as possible for one year, with the possibility of renewal, subject to satisfactory performance and funding availability)

Applicants should possess a Ph.D. degree in biological sciences, with at least 3 years' post-doctoral research experience in Molecular and Cell biology. Prior experience in clinical research and laboratory management will be highly desirable. The appointee will coordinate and lead research projects under the supervision of Dr. A.K.S. Chiang.

A highly competitive salary commensurate with qualifications and experience will be offered.

**Applicants should send a completed application form together with an up-to-date C.V. to Dr. Alan Chiang (e-mail: [chiangak@hku.hk](mailto:chiangak@hku.hk)).** Application forms (345/1111) can be downloaded at <http://www.hku.hk/apptunit/jr-form.doc>. Further particulars and application forms (345/1111) can be obtained at <http://jobs.hku.hk/>. **Closes November 20, 2016.**

The University places great emphasis on staff development to help staff develop potential, and has in place a variety of development opportunities catered for staff at different stages of career development.

The University thanks applicants for their interest, but advises that only shortlisted applicants will be notified of the application result.

*The University is an equal opportunities employer and  
is committed to equality, ethics, inclusivity, diversity and transparency*
